Pastoral Reference

The Dikaios Board of Directors has established local church involvement as a criteria for acceptance into our home schooling group. As a Christian organization, we acknowledge the pastor's role in caring for the Lord's flock. We would like to verify that the undersigned are active participants in your congregation. In addition, our board would like to establish a link with you to refer relevant issues to your attention, should they arise.

This letter is in reference to the _____ family.
Children's names _____

How long have you known the family? _____
